

DIRECTOR OF CENTRAL INTELLIGENCE

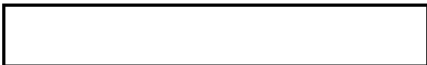

Security Committee

* SECOM-D-140

28 June 1983

MEMORANDUM FOR: Members, DCI Security Committee

FROM:

Chairman

SUBJECT: Request for Waiver of DCID 1/7 Controls

1. The attached memorandum from the DIA Chief of Staff requests SECOM approval to release classified material bearing DCID 1/7 control markings to the Applied Physics Laboratory of the John Hopkins University. This constitutes a request for waiver of DCID 1/7 controls without case-by-case originator approval. The SECOM Compartmentation Subcommittee unanimously voted, at its 26 April 1983 meeting, to require requested waivers of DCID 1/7 controls to be considered by SECOM on a case-by-case basis.

2. Please review this request, complete, sign and date the attached vote sheet, and return it to the Executive Secretary by 19 July 1983.

The attached recommends, with qualifications, that CIA nonconcur in the latest DIA request for a waiver to DCID 1/7. The Chairman, SECOM, has advised that the OSAF member has nonconcurred on the same basis; the request is premature. Personally, I feel uncomfortable with vote actions that require unanimity. One member agency can block approval without any real discussion of merit and need.

What think you of this request? DIA makes it sound like the relationship with APL is contingent on a waiver. Please respond by 8 July.

1-3: The unanimous vote of the Compartmentation sub-committee reflected an un-willingness to treat private sector contractors as if they were GOCO's. To be consistent with that position, a negative vote on DIA's request is appropriate.
